

FOCUS ON THRIVING

**A TRUE STUDENT AFFAIRS/
ACADEMIC AFFAIRS PARTNERSHIP**

SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

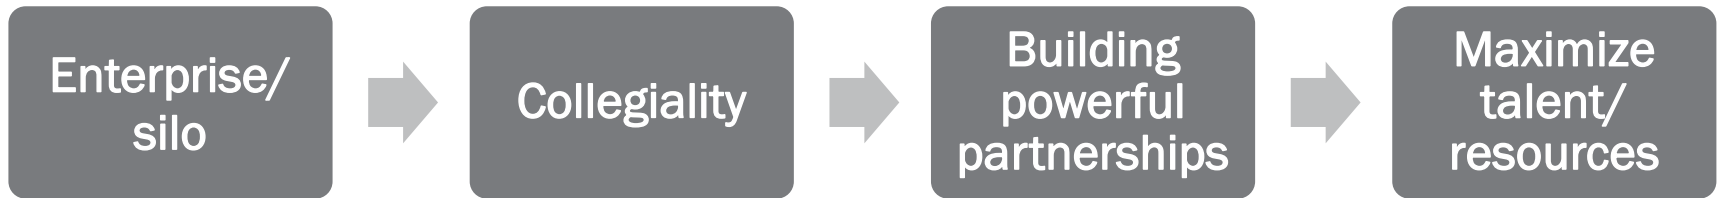

The business we are about is not simply creating partnerships to achieve a greater sense of administrative efficiency. It is about focusing on **LEARNING** to shape the lives of students.

- Magolda, 2008

...with striking consistency, studies show that **innovative**, active, **collaborative**, and constructivist instructional **approaches shape learning more powerfully**, in some forms by substantial margins, than do conventional lecture-discussion and text-based approaches.

- Pascarella & Terenzini, 2005

It started with a **culture shift.**

Citizenship

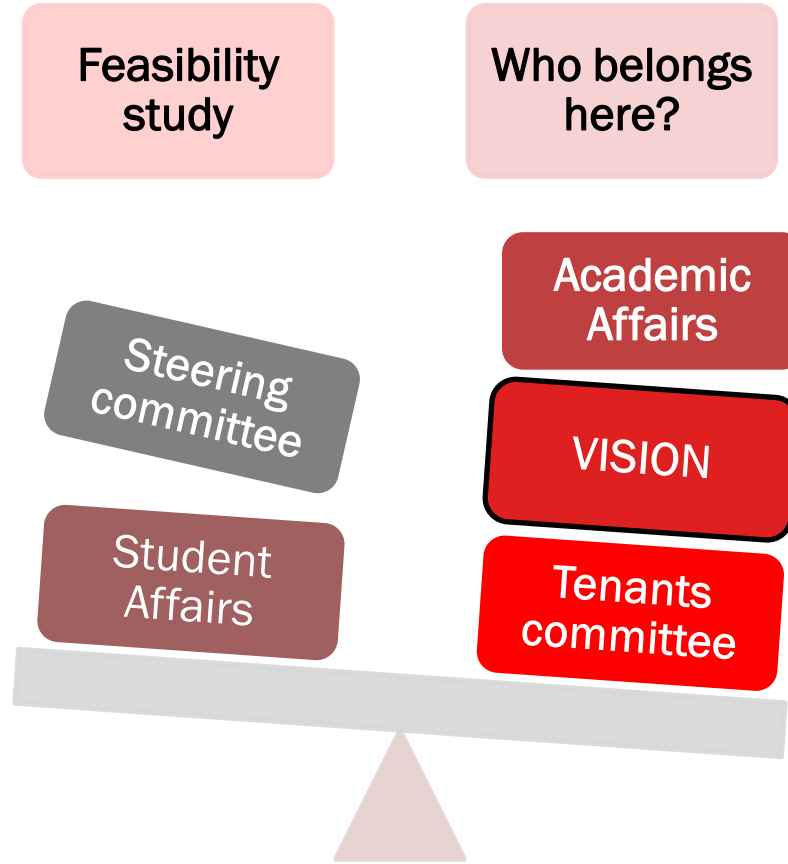

- Social, civic and political responsibility—globally, nationally, locally, and within the University
 - **Active partnerships and a climate of collaboration** and cooperation among students, faculty, staff, alumni and the larger community
 - Sustainable practices in environmental, financial and social endeavors
