

AN ACADEMIC MAP FOR A GENERAL AREA: BUSINESS

This map is a term-by-term sample course schedule. The milestones listed to the right of each term are designed to keep you on course to graduate in four years. The Sample Schedule serves as a general guideline to help you build a full schedule each term. The Liberal Studies (General Education) and Elective courses must be selected to satisfy all area, literature, lab, and other requirements unless your program meets these requirements with major courses. Milestones are courses and special requirements necessary for timely progress to complete a major. Missing milestones will result in one of two types of map registration stops. The first level (*Degree Map Offtrack*) is placed following grade posting if the student has missed a milestone (course and/or GPA) for the first time in the major. If a student is in non-compliance with milestones for two (2) consecutive semesters (excluding summers), a *Major Change Required* stop is placed on the student's registration.

SAMPLE SCHEDULE*

TERM 1	Hrs.	Area
Required English course	3	
Algebra or other Pre-calculus	3	
Microeconomics	3	
General Education	3	
Elective	3	
Total Hours	15	

TERM 2	Hrs.	Area
Second English requirement	3	
Calculus	3	
Macroeconomics	3	
Elective	3	
General Education	3	
Total Hours	15	

TERM 3	Hrs.	Area
Statistics	3	
Financial Accounting/Principles I	3

General Education (Natural Science)	3	
Business elective	3	
Total Hours	15	

TERM 4	Hrs.	Area
Managerial Accounting/Principles II	3	
Elective	3	
General Education	3	
Elective (Non-business)	3	
General Education	3	
Total Hours	15	

MILESTONES

TERM 1
Complete required English course
Algebra or other Pre-calculus
GPA of 2.7 or higher

TERM 2
Complete second English course
Complete calculus
GPA of 2.8 or higher

TERM 3
Financial Accounting
GPA of 2.9 or higher

TERM 4
Complete all admission requirements & apply
GPA 2.9 or higher

International Opportunities

International study is available for all students and may include opportunities for internships or taking course work towards various minors. International study may have an impact on the MAP; therefore, it is important to consult with the academic advisor for this major before participating in an International Programs opportunity. Interested students should also contact the Office of [International Programs](#).

This Map is not a contract; either expressed or implied, between the University and the student, but represents a flexible program of the current curriculum that may be altered from time to time to carry out the academic objectives of the University. The University specifically reserves the right to change, delete or add to any Map at any time within the student's period of study at the University.

*Area refers to the requirement that the course fulfills; M=a course required by the major; GX=a course that fulfills part of the General Education requirements with X=the area of the requirements, e.g., GM=General Education course meeting the mathematics requirement; BGX= the course fulfills both a major requirement as well as a General Education requirement. These codes are often helpful in keeping track of the courses, total hours and areas that fulfill the General Education requirements, as these are often complex.
