Silo-Busting for Student Success

An update on cross-agency, state-wide initiatives helping students meet their postsecondary and career goals

Emily Rusca, Policy & Programs Manager
Education Systems Center at NIU
What is our goal?

Postsecondary Degree or Credential

State Attainment Goal: 60% by 2025

Reaching our State’s attainment goal requires strategies that ensure success across multiple populations.
What do our “silos” look like?
How can we accomplish this goal of student success?

Building bridges & connecting silos
How do we build bridges & connect silos?

- Policy Levers
- Statewide Committees
- Data & Metrics
- Collaborative Networks

College & Career Readiness
How can we open windows for practitioners to better serve young people?

Policy Levers

Statewide Committees

Data & Metrics

Collaborative Networks

College & Career Readiness
Who do we need to convene to ensure alignment across work?

- Policy Levers
- Statewide Committees
- Data & Metrics
- Collaborative Networks

College & Career Readiness
How can we connect practitioners and policymakers in service of young people?

- **Policy Levers**
- **Statewide Committees**
- **Data & Metrics**
- **Collaborative Networks**

**College & Career Readiness**
What do we need to know in order to drive student success?

Policy Levers

Statewide Committees

College & Career Readiness

Data & Metrics

Collaborative Networks
What is our goal?

State Attainment Goal: 60% by 2025

Postsecondary Degree or Credential

Quality Careers

Connected to P-16 Pipeline

Opportunity Youth

Adults without Postsecondary Credentials

Reaching our State’s attainment goal requires strategies that ensure success across multiple populations.
