**Kimberley Hollingsworth, President, Olive-Harvey College (CCC)**

**Caress Brown-Miller, Associate Dean of Advising, Olive-Harvey College (CCC)**

# OMD's holistic model is designed to support degree attainment and upward career mobility

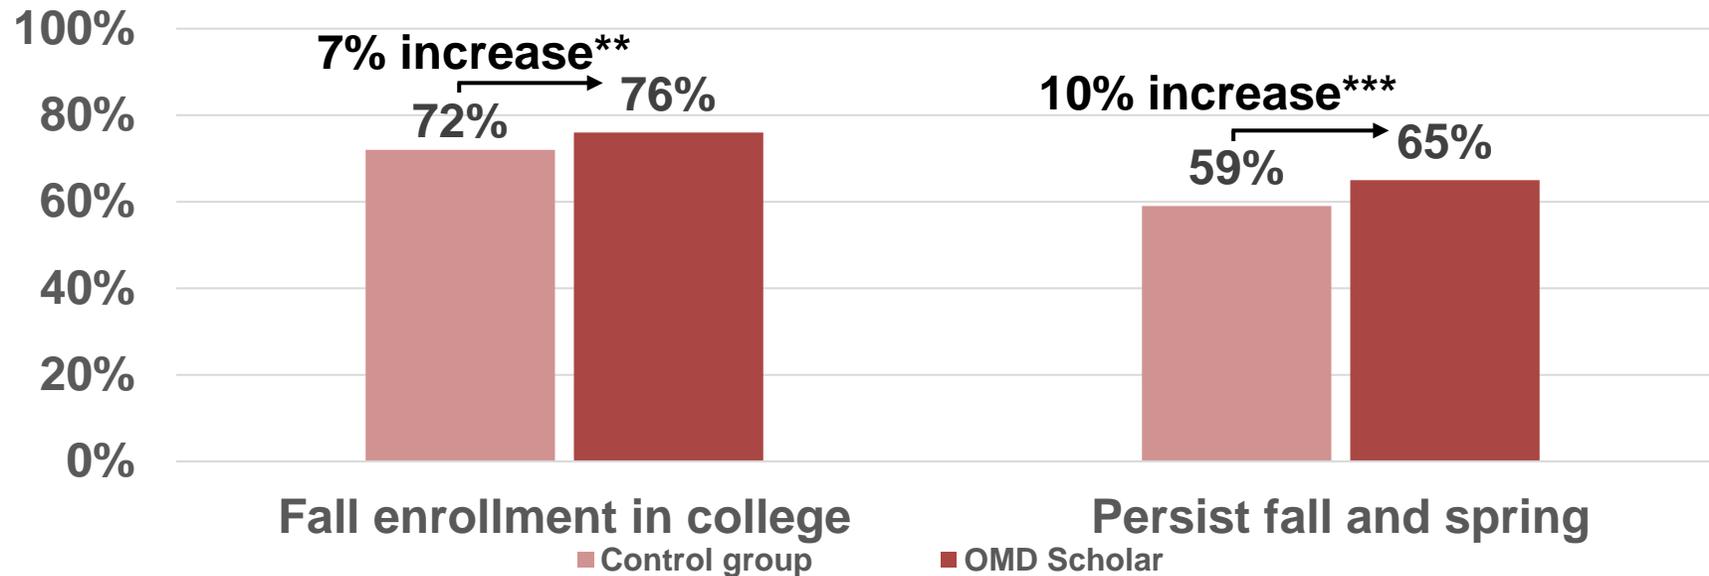

To improve college enrollment, persistence, and career success, OMD implements a holistic support model to increase the likelihood that scholars will complete a college credential and improve their economic mobility.

<b>70%</b>	more likely to <b>enroll</b>	<b>94%</b>	more likely to <b>persist</b>	<b>73%</b>	more likely to <b>earn a degree</b>
------------	------------------------------	------------	-------------------------------	------------	-------------------------------------

# Offering a spot in OMD increased enrollment and persistence in college for the entire applicant pool
